The top four point scorers go straight through to the Final.
 Gate positions are chosen by the highest scorer, then 2nd highest, 3rd highest, with 4th having what is left.
 Any ties are decided on count back, most wins, 2nds, 3rds etc, a last place is better than a non-finish.
 If there is a tie situation after all that it will then come down to who beat who in the main part of the meeting.
